*Antonio Vega*

*5/21/2019*

## **Title 1**

## **Title 2**

## **Title 3**

## **Title 4**

## **Title 5**

This is a plain text in R

If we need an intro is required to type double intro

- If we need a to write in italics is required one asterisk, *This is italics*, also we can use one low bar *This is italics*
- If we need a to write in bold is required double asterisk, **This is bold**, , also we can use double low bar **This is bold**

The super index goes with double **hat**, note<sup>2</sup>, Hello my name is Antonio<sup>Vega</sup>
